Creating Great Opportunities From Great Ideas Trust Our Experience To Manage Your Project With over 20 years of experience in managing project development, you can feel confident that A-1 Engineering USA we will bring you concept to reality.

A-1 Engineering - Creating Great Opportunities From Great ...

by Engineeringstuff · 21st April 2019 When defect in crystal is centered around a line or the lattice distortion is centered around s line then this type of defect is called the line defect. Few of the reasons of formation of line defects are solidification of solid crystal, plastic deformation of crystals and vacancy condensation.
